

# RAKAS VIININYSTÄVÄ

Dear Wine Enthusiast

Sesonkeja ja erityisesti ruokalistaa mukaillen valitsemme viinit, joilla on jokaisella oma tarinansa kerrottavanaan. Jokainen viinimme on huolella valittu, hintaluokasta riippumatta. Viinivalikoimamme koostuu niin klassisista kuin uuden suunnan eurooppalaisista viineistä. Uuden maailman viineistä haluamme tarjota maistettavaksi kiinnostavimmat. Suurin osa viineistä on tuotettu luonnonmukaisesti, kestävän kehityksen ehdoin. Haemme jatkuvasti houkuttelevia uutuuksia iloksenne ja lasiviinivalikoimamme elää viikoittain tarjoten aina jotain uutta maistettavaa.

Hyvä viini ansaitsee arvoisensa ja sen parhaita ominaisuuksia korostavan lasin. Siitä syystä tarjoilemme viinimme itävaltalaisen lasitehtaan Riedelin viinilaseista.

Coravin-järjestelmän avulla voimme tarjota iloksesi myös harvinaisempia ja arvokkaampia viinejä laseittain. Lasiviinivalikoimamme elää viikoittain, joten aina löytyy jotain uutta kiintoisaa maistettavaa.

Tehdäksemme viinivalintanne helpommaksi, olemme järjestäneet viinilistamme sananmukaisesti "maun mukaan", alkaen kevyimmästä ja päättyen täyteläisempiin. Samantyyppiset viinit löytyvät siis samasta ryhmästä. Autamme mielellämme teitä löytämään sopivat viinit ateriallenne.

Nautinnollisia viinihetkiä toivottavat,

*Ravintola Pöllöwaarin sommelière Ulla Häkkinen ja sommelier Anssi Jokela*

In line with the menu and the season, we choose wines that have a story of their own to tell. Our wine selection is composed of classic and new wave European wines. From the New World wines we want to offer the most interesting wines to taste. Most of our wines are made organically and with terms of sustainable development.

A good wine deserves the best glass possible to bring out the finest qualities of the wine. That is why we serve our wines from Riedel wine glasses. With the help of Coravin system we can offer also rarer and high quality wines by the glass. Our "wines by the glass" list is changing weekly so we can tempt you every week with something new to taste.

To make your choice of wine easier, the wines on our wine list have been placed in a general order of taste, from milder and more delicate in style to those that are stronger tasting and fuller in body. This means wines with similar taste are grouped together. We are happy to help you to find the right kind of wines to your meal.

We wish you enjoyable moments with our wines!

**CHARTOGNE-TAILLET SAINT-ANNE EXTRA BRUT**

AC Champagne, Montage Reims, Chartogne-Taillet, Ranska / France, biodynamic

The Sainte Anne cuvée is the sensory translation of wines from the different soils of the  
village of Merfy. Each of the village's plots contributes part of its identity to "create" this  
cuvée. Sainte Anne's textures are revealed throughout the entire length on the palate.

Often initially opulent on the palate, the salts from the sands then give rise to salivating  
bitterness. The finish leaves a tight structure that recalls the origin of Champagne wines.

Dosage 2,5 g/l

50 % Chardonnay, 40 % Pinot Noir, 10 % Pinot Meunier

169,00

AC Champagne, Montage Reims, Chartogne-Taillet, Ranska / France, Biodynamic

Bursts from the glass with scents of pear, peach, almonds and spices. On the palate it  
is medium-bodied, textural and concentrated, though it remains bright and precise  
thanks to a strong vein of acidity, Dosage 2,5 g/l

60 % Pinot Noir, 60% Chardonnay

**CHARTOGNE-TAILLET HORS-SERIE EXTRA BRUT 2020**

199,00

AC Champagne, Côte de Blancs, Chartogne-Taillet, Ranska / France, Biodynamic

Hors Serie is an exceptional cuvee. It's the first champagne of the house outside of  
Merfy. It is a part of Alexander's personal history as he wanted to re-discover the  
vineyard and work on this specific chalky terroir of the Côte de Blancs. It opens with a  
deep bouquet of orange zest, ripe pear and white blossoms mingling with lemon confit.  
Full-bodied and concentrated, the wine retains striking vitality, with a generous core of  
fruit enlivened by an incisive spine of acidity and a pronounced chalky signature.
